MINT LEAVES

CITRUS MINT CUCUMBER REFRESHER

INGREDIENTS

6 cups water
3 large lemons
2 limes

1 large English cucumber, sliced
8 fresh sprigs of mint
Ice

INSTRUCTIONS

1. Fill up a pitcher with 6 cups of water.
2. Squeeze the juice from 2 lemons and 1 lime into the pitcher.
3. Cut the third lemon and the remaining lime into slices and add them to the pitcher.
4. Add the cucumber slices to the pitcher and stir.
5. Refrigerate for 1-3 hours to let the ingredients infuse before drinking. The longer it infuses the more flavorful the water.
6. When ready to serve, pour over a glass full of ice.
